The only day next week that I already have court is Wednesday, Feb. 23rd, though I do have a dentist appt. on Friday at 3, so if you needed me that day it would have to be early in the morning so I could get back in time for it.

Hi Sonja,

I am just checking on your schedule for next week in case the court calls this case in for trial. Thanks.

Just curious if the case has started yet and, if so, what time do you think you'll need me tomorrow? If it is early, I'll probably leave straight from home instead of the lab, so I want to know if I need to bring my notes home. Thanks.

Hi Sonja,

Just to keep you updated, I have not heard from the court on this case yet, so there is no need for you to travel down. I will contact you once I hear from the court to discuss time frame.

Thanks again.

Bob-

No, I think I'm all set. Unless I hear otherwise from you, should I plan on being in Fall River 1st thing Wednesday morning (2/16/11)? Thanks.

Hi Sonja,

Do you need a new summons for Pedro Fernandes case?

Can I tell the other ADA's that I have cases with on the 15th that I will be available for those or not? Thanks.

Hi Sonja,

It is still set for the 15th but would most likely not need your testimony until the 16th. I will keep you updated.

Thanks.

Hi Bob-

Just curious as to the status of the Pedro Fernandez case scheduled for trial on Feb. 15, 2011? If it is still on, do you think that you will need me on the 15th, or the 16th? I'm wondering as other ADAs have inquired about my availability for both of those days and I would like to let them know if I would be available for either date (I believe in the past you mentioned that I would most likely be needed on the 16th). Thanks for your prompt response.
